ABOUT ME

Motivated IT Development Technician with hands-on experience in modern web technologies. Skilled in JavaScript, Python, and front-end frameworks such as React and Bootstrap, with a focus on creating responsive and accessible digital solutions. Successfully developed a multilingual municipal website using HTML, CSS, JavaScript, and JSON. Eager to contribute technical expertise and creativity in a dynamic, innovative environment.

WORK EXPERIENCE

- May 19, 2025 **FRONT-END DEVELOPMENT INTERN EMPLOYER: MUNICIPALITY OF KSAR TOULAL**
- June 17, 2025
- Spearheaded the digital presence initiative for the Municipality, which previously lacked an official website.
 - Designed and developed the front-end using HTML, CSS, and vanilla JavaScript.
- Avril 01, 2026 **DESKTOP APPLICATION DEVELOPMENT INTERN EMPLOYER: SOFAMIA/FRIGO SLIMANI**
- Avril 31, 2026
- A professional desktop application for managing cold storage facilities, built with Python/PyQt5 and an encrypted SQLite database (AES-256). It includes operations management, PDF invoicing, reporting, and a permissions system. Packaged as a deployable, no-install executable (.exe) file.

EDUCATION AND TRAINING

2020 **BACCALAUREATE (HIGH SCHOOL DIPLOMA)**
